Le Claire-Princeton Weekly
Le Claire, Iowa

Gentlemen:

Enclosed is the first of what I hope will be regular contributions to your paper. As I explain in the introduction this week my plan is to cover books at each of the Le Claire and Princeton stations on alternate weeks. I hope to have a piece for you each week. They will all be approximately this same length.

If this plan does not meet with your full approval, please don't think I'll be offended if you say so! Let me know and I'll come in and talk to you about it. I'll try to stop in one day when I come through, anyway; but if you have any suggestions, let me know.

Sincerely,

Elizabeth B. Hage
